

Here is a map to help you get to the community center. The star is where the meeting is, and I have highlighted Bougainville Loop and Aliamanu Drive as the closest major intersection to the community center. The address is 182 Kauhini Rd, but I cannot guarantee it will show up in the right place if you google map it or GPS it.

The activity room, where special events take place, is in the building to the right at the end of the parking lot. If you go up the stairs and through the breezeway, there is a room located in the back of the building on the right. This is where the Sew-Ins are taking place.

The general meetings take place in the theater. When you walk up the stairs, there are 2 doors directly to your left. Both doors enter the theater. Unfortunately there is no way to prop the doors open, so we will be posting a sign on the door during meetings to better identify where we are.
